

# Dyneva E-Learning

## Linklist

### **Module 1 contains product information**

Function, anatomic animation, indications, brief information for fitting, interview with CPO and benefits for the user

[http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/020\\_EN/M01/story.html](http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/020_EN/M01/story.html)

German version: [http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/010\\_DE/M01/story.html](http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/010_DE/M01/story.html)

### **Module 2 explains fitting and handling**

Preparation, assembling, fitting, hints and notes

[http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/020\\_EN/M02/story.html](http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/020_EN/M02/story.html)

German version: [http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/010\\_DE/M02/story.html](http://digital-learning.ottobock.com/Content/Intranet/Orthetik/Dyneva/010_DE/M02/story.html)

To work through the modules in detail takes about 20 minutes for each. Both end with a summarizing quizz.

The links can be provided to your sales reps, physicians and customers.

**The E-Learnings can be adapted and translated to your language. For further information please contact Wiebke Meistrell-Scholvin.**
